

HULL & DECK

- 5-year structural warranty. 10-year blister warranty
- Vinyloster barrier/skin coat with ISO/NPG gel coat
- Resin-infused laminated hull and deck using end-grain balsa construction and high-strength multi-axial glass reinforcements
- Molded interior structural liner for forward accommodations
- Heavy-duty black rub rail w/SS insert striker
- Integral molded-in nonskid on deck
- Bottom paint
- Transom Deadrise: 16 degrees
- Amidships Deadrise: 22 degrees

PLUMBING

- Pressure hot and cold fresh water system
- Accumulator Tank
- 28 gal. holding tank for freshwater head
- (2) 42 gal. polyethylene potable water tanks
- 4 gal. water heater with heat exchanger to engine and 120VAC heating element
- Flexible color-coded polyethylene hot and cold water hose
- Double hose clamps installed on all thru-hulls and below waterline connections
- (3) 1,250 GPH 12-volt self-priming bilge pumps, one below forward living area, one midships, one in lazarette
- Marelon non-metallic seacocks and thru hulls
- Molded fiberglass low-maintenance head sink with combination faucet and showerhead
- Stainless steel plumbing fixtures
- Cockpit shower

MECHANICAL

- Standard Engines: (2) Yamaha 250 VG 3-3L Four Stroke Outboards
- Electronic controls and gauges
- Stainless steel propellers
- 300 gallon aluminum alloy fuel tanks located under access hatch. Tank equipped with 1 1/2" deck fill, vent, pick-up tubes, w/shut-off, clean out and gauge sender

ELECTRICAL

- Fully bonded and grounded to meet ABYC standards
- Custom Electrical distribution system
- Analog Meters: DC amps, volts
- Tinned copper wiring to inhibit corrosion

- (2) 12v DC power outlet
- Lighting: (2) bulkhead swivel LED reading lights, (10) overhead LED lights, (4) low-level courtesy lights in cockpit, (4) low-level interior courtesy lights, (2) equipment room lights, chart light to port of helm station
- Navigation lights: port and starboard side lights, white all around combination steaming, anchor light on canopy
- Remote Searchlight
- Fixed cockpit floodlight
- (2) 4D AGM house batteries
- (2) Group 31 AGM Engine start batteries
- 120v AC 30 amp shore power with 3 GFI outlets and cord
- Inverter/charger
- Marine Stereo W/ Sirius XM/FM-AM

DECK HARDWARE

- (4) Hatches with screens, stainless
- (4) Ports with screens; stainless, opening
- Custom-fabricated powder-coated aluminum deckhouse windshield with hinged forward center opening window and sliding side windows with screens
- Tinted safety glass window panels
