

HULL & DECK

- 5 year transferable structural and blister warranty
- Vinylester barrier/skin coats for complete protection against cosmetic blistering for a 10 year period
- Resin-infused hull and deck. This assures the Al 600 end grain balsa core is completely saturated and encapsulated by resin. High modulus triaxial glass and preformed stringers are infused with the core to assure a high glass-to-resin ratio as well as primary bonding of the stringers
- Hull to deck bonded with Plexus MA 550 adhesive
- Heavy-duty black rubrail w/SS insert striker
- All thru-hulls are isolated w/solid glass or urethane block to insure the integrity of the balsa core is not compromised
- Gelcoat hull and deck.
- Contrasting deck/non-skid
- All bilges are finished in gelcoat
- Bottom paint

PLUMBING

- Two 50-gallon polyethylene water tanks located in engine room
- 12-volt water pressure pump for domestic use
- 12-volt fresh water wash down in cockpit
- Hot and cold pressure shower in cockpit and head
- 12-gallon stainless steel water heater with heat exchanger to engine and 110-volt power
- FDA approved color-coded (blue cold/red hot)
- Whale semi-rigid pipe work system
- Double SS hose clamps installed on all thru-hulls and below waterline connections
- Double hose SS clamps on exhaust system
- Two 2,000 GPH 12-volt bilge pumps, one below forward living area, one within engine room
- One 1,250 GPH aft bilge pump
- Bilge alarms with light/alarm at helm
- Sealand HTS w/electric Tank Master 4, auto pump-out tank sensors, household style vacu-flush head
- Holding tank 28 gals with pump out
- Marelon seacocks below waterline
- Stainless thru hulls in boot stripe

MECHANICAL

- 440 Yanmar diesel engine 6LY440
- Digital and analog engine gauge displays
- Aquadrive anti-vibration system
- Power hydraulic steering with bronze cylinder
- 6hp bow thruster. Side Power SP75T twin blade electric
- Two 113-gallon aluminum fuel tanks
- Racor fuel filter 900 series w/water sensor alarm
- Insulated engine room

- All access hatches and doors are lined with acoustical gaskets
- Engine room ventilation located in pilothouse sides to provide air flow to and from engine turbocharger
- Two engine room exhaust blowers
- Oil change kit
- Fire suppression kit w/auto engine shutdown
- Single lever electronic control
- 4 blade bronze prop on stainless steel shaft with drip-less seal
- High-speed cast wedge rudder with stainless steel shaft
- Air-conditioning system – dual zone 16,000 btu and 12,000 btu

ELECTRICAL

- Fully bonded and grounded to meet ABYC
- Three-battery switch with engine-starting crossover
- Custom AC electrical panel. AC/DC line voltage meters and AC/DC amp meters breaker panel with analog battery condition meters
- 125-volt AC dual 30-amp shore power system with two cords
- Four 125-volt AC receptacles with GFI protection
- One 125-volt AC watertight receptacle located within engine room
- Bulkhead mounted LED reading lights
- Overhead LED lights with dimmers (pilot house)
- Low-level (Red) nightlights to illuminate cabin sole
- Low-level (White) waterproof cockpit lights to illuminate floor
- Three polycarbonate caged 12-volt DC lights located within engine room
- Navigation, anchor and running lights
- High output alternator with electronic regulator
- Batt Max battery combiner
- Three AGM Glass Matt batteries - two dedicated to the house, one dedicated to the engine/generator and thruster/windlass
- Engine starting circuit w/emergency parallel system
- Mastervolt Inverter/Charger
- Spot / Fog searchlight located on pilothouse top with auto joystick control
- Cockpit aft floodlight
- Stereo entertainment system

**DAY BOAT INTERIOR**

- Faux wood strip paneling on forward cabin hull sides
- Satin varnish on drawer trim, head door trim, companionway door, dinette table, steering wheel helm trim, and pilot house hatch trim.
- Gelcoat non-skid cabin sole
- Flush-mount solid cabinet door frames with button-style hardware
- Teak or cherry framed doors and drawers
- Sunbrella cushions

FORWARD CABIN

- Extra large v-berth mounted forward in cabin. Berths have a built-in storage space with hinged locker. Insert converts to huge double
- Portside locker with drawers; hanging locker
- Teak or cherry framed doors and drawers
- Storage shelf on forward bulkhead

HEAD/SHOWER

- Molded Polystone sink and vanity
- Grohe head/shower faucets
- Vanity cabinet located outboard of sink and toilet
- 12-volt electric shower sump pump with strainer
- Clothes hamper
- Molded ergonomic shower with curtain

GALLEY

- L-shaped molded granite-style countertop
- Polished SS single sink
- Two-burner propane stovetop with cover
- Hot and cold pressure faucet
- Microwave
- Refrigerator

PILOTHOUSE/SALON

- Custom-designed ergonomic adjustable helm seat
- Companion helm bench seat
- Faux wood strip overhead panels
- Recessed lighting
- Port Settee with Starboard Love Seat
- Canvas backdrop w/screens
- Sunbrella cushions
- Cruising & safety package
- Outdoor Shade

VOYAGER INTERIOR

- Teak or cherry ceiling strips in forward cabin
- High-gloss varnish on drawer trim, head door trim, companionway door, dinette table, steering wheel helm trim, and pilot house hatch trim.
- Gelcoat non-skid cabin sole
- Flush-mount solid cabinet door frames with button-style hardware
- ABS acoustical overhead panels
- Teak or cherry doors and drawers
- Choice of Ultra Leather, Ultra Suede or Sunbrella cushions

FORWARD CABIN

- Extra large v-berth mounted forward in cabin. Berths have a built-in storage space with hinged locker. Insert converts to huge double
- Portside locker with drawers; hanging locker
- Storage shelf on forward bulkhead

HEAD/SHOWER

- Molded Polystone sink and vanity
- Grohe head/shower faucets
- Vanity cabinet located outboard of sink and toilet
- 12-volt electric shower sump pump with strainer
- Clothes hamper
- Molded ergonomic shower with curtain

GALLEY

- L-shaped molded granite-style countertop
- Polished SS double basin sink
- Two-burner propane stovetop with cover
- Hot and cold pressure faucet
- Microwave
- Frigoboat® cold plate refrigerator system w/SS box

PILOTHOUSE/SALON

- Custom-designed ergonomic adjustable helm seat
- Companion helm bench seat
- Faux wood strip overhead panels
- Recessed lighting
- Dinette electric drop table to form 6' 6" double berth
- Port dinette benches slide to seat 6
- Canvas backdrop w/screens
- Choice of Ultraleather, Ultrasuede, or Sunbrella cushions
- Cruising & safety package
- Outdoor Shade

**DECK HARDWARE**

- Sliding sun roof
- Four brushed aluminum extruded hatches with screens
- Four powder coated opening ports with screens
- Safety glass windshield with opening center window with powder coated aluminum extrusion.
- Port and starboard sliding windows sets
- Two 12" cleats at the bow, two pop-up 10" cleats forward qtr., two pop-up 10" cleats aft qtr. and two 10" pop-up cleats aft.
- Flush custom chocks at bow, 2 oval hawses at stern
- Custom-fabricated type 316 SS anchor roller
- Custom-fabricated stainless steel handrails; two on pilothouse top, two on trunk top, two at aft outboard end of pilothouse
- Deck fills are high-quality 316 stainless steel
- Magnetic compass mounted at helm
- Dual trumpet horns
- Cockpit scuppers
- Hinged transom doors
- Propane locker in starboard side deck
- Fender storage Stbd. side deck locker
- Three 12-volt windshield washer/wiper motors with intermittent function
- Electric anchor windlass w/100' chain and 150' rode
- 45-lb. CQR Anchor
- Stainless steel Anchor
- Cockpit/Transom
- Easy access shore power inlets
- Easy access fresh water cockpit shower

OPTIONS

- Flybridge
- Hardback enclosure w/sliding door and 2 windows
- Sure Shade retractable bimini
- Cockpit seating with covers and tables
- Teak decking (cockpit, pilothouse)
- Swim Platform hull extension w/teak deck and pop up cleats
- Pantograph hinges on transom doors
- AwlGrip hull paint
- Dinghy chafe strip
- Name and hailport
- Stainless steel bow rail (short or long)
- High gloss varnish finishes
- Solid wood hull ceiling strips (teak or cherry)
- Ultra Leather or Ultra Suede fabrics
- Athwartship children's loft forward
- Outdoor window privacy screens
- Central vacuum
- Electric grill
- Ice Maker
- Espar interior heater
- Onan 8kw generator
- Electronics package
- Stern thruster
- Arid Bilge system
- Salt water wash down at cockpit and anchor w/12-volt pressure pump
- Underwater light
- Safety kit; includes fire extinguishers, dock lines, fenders, life jackets, first aid kit
